

A Powerful Web 2.0 Tool
for
Today and the Future

2009

Verizon Center Learning

Why Google??

Google is FREE and EASY!!

Google is not JUST a search engine!

Google offers over 80 applications!

Google is available everywhere!

It is a Web 2.0 tool!

Who uses Google?

- Every day more than 2000 new BUSINESSES sign up for Google Domains and Accounts
- Over 1 MILLION students in UNIVERSITIES in the USA are using Google.
- K-12 Schools are converting to Google at more than 100 per day
- Over 10 Million **USERS** globally and 1 Million Businesses globally
- We can use Google!!!

Why Use Google Docs?

- *No hardware/software to purchase or download*
- *Creates a learning community free of charge*
- *Changes and edits are seen by everyone immediately using the collaboration feature*
- *Available to anyone, anywhere, anytime*
- *SECURE and it automatically SAVES*
- *All needed is the internet and a web browser*
- *Will help put your school , business or home on the cutting edge of online communication and collaboration with 21st Century Skills!*

Google Basic Options
